

## **Dominican Friars Video Contest Overview:**

We invite students in grades 9-12 to participate in the 2025 Youth Interfaith Video Contest. This year's theme, "**Faith as a Pathway from Division to Unity,**" encourages participants to explore how faith can be a unifying force in our divided world.

In a time of increasing division and conflict, the contest asks students to reflect on how love, compassion, and interfaith dialogue can help bridge divides, build understanding, and foster unity. Participants are invited to create videos that demonstrate the transformative power of faith and collaboration, showing how, by coming together with respect and empathy, we can overcome the challenges we face and work toward a more peaceful and harmonious future.
